RE: REQUEST FOR AN INDUSTRIAL PLACEMENT FOR

NAME:.....REG. NO

This is to confirm that the above named is a continuing..... year student in the department of Biochemistry, University of Nairobi, pursuing a course leading to the degree of Bachelor of Science in Biochemistry.

As part of the programme requirements, students are expected to undertake industrial attachment for a period of at least two months. We attach great importance to industrial training for our students as it provides them with pre-professional experiential exposure with specific assignment and responsibilities. We believe in the production of highly competent, quality, reliable and ready to work personnel.

This is thus to request you for any available opportunity in your esteemed organization to enable the applicant gain the necessary experience and to facilitate the successful completion of the course

Any assistance accorded will be highly appreciated. Please feel free to contact us for any further clarification.

Yours faithfully,

DR. GERALD JUMA
CHAIRMAN, DEPARTMENT OF BIOCHEMISTRY
